JAMBOREE ON THE AIR/ JAMBOREE ON THE INTERNET

JOTI/ JOTA 2020

This is the world's largest digital scout event taking place online and over the air. The educational event brings together more than 2 million Scouts every year in October for a weekend of Scouting and friendship. Young people can learn about communications technology and connect with fellow Scouts from over 171 countries!

*Please note we will be following the CDC recommendations of social distancing and please wear a mask. We will have disposable microphone coverings for the ham radio equipment.

A very special thanks to the Bella Vista Radio Club for helping Cornerstone District make this event possible!
